

## OUR SCHOOL SONG

The Temple of knowledge  
The treasure of wisdom  
The cosmos  
The Heaven  
Almighty's royal kingdom  
We are proud to be Asha Modernites  
Lamp of Knowledge we shall always light  
A.M.S. we love you  
A.M.S. we love you A.M,S.

We fight for what is just and right. Lamp of  
knowledge we shall always light  
A.M.S. we love you  
A.M.S. we love you A.M.S.

It motivates to get greater height  
Lamp of knowledge we shall always light  
A.M.S. we love you  
A.M.S. we love you A.M.S.

It fills our hearts with true light  
It makes our future bright  
A.M.S. we love you  
A.M.S. we love you A.M.S.

Breeze of knowledge here blows very cool  
One and only is Asha Modern School  
A.M.S. we love you  
A.M.S. we love you A.M.S.
